

# Christmas is coming! Are you ready?

Here is **3 Quick Tips to Prepare for Christmas:**

## Tip #1: Print Out a Calendar for The Month Ahead

Christmas can be a busy time. From school bake-sales, to secret Santa's at work and the pot-luck you seem to always forget until the morning of.

Take some time to write out all of your plans for the busy month ahead. Whether it is to remember to call your great aunt or pick up the stuffing at your favorite store before they sell out, it's best to write it down on a clear to read calendar!

The last thing you want is to forget to bring a gift to the secret Santa!

## Tip #2: Declutter Your Old Treasures from The Year Before

We all know that Santa brings us lots of goodies. From toys to electronics, deodorant and more. It's important to make space for the new joys and clear out the old. This is a great time to declutter your bathroom drawers, your kitchen cupboards/fridge and your kid's toys.

If you haven't used it in the past year, then perhaps you no longer need it. Declutter it! And don't forget, one of the most important steps in the decluttering process is actually getting it out the DOOR & and car. Don't let it sit- remove it for good!

## Tip #3: Create a Checklist

Here is something we are all very good at: Shopping WITHOUT a checklist. Try and beat the holiday rush by preparing a checklist before hand, of all the things you need to buy. Go a step further and organize it by CATEGORY! When we are organized, we save time, money, and get things done with less stress.

## BONUS!

Thinking about buying your loved one a MEMORY or an ADVENTURE instead of a materialized item. Perhaps a trip to the movies, spa certificate, a concert or a chance to get organized by Transformed Spaces. Whatever it may be, see how it can benefit them and make them happy!

Happy Holidays!
